ADVANCE. TO

kunded in Wednesday morning.

This gendeman has announced himself a candidate subject to the approval of the Union party of this district. He has served but one term, yet in that time he has effected much more for his district than can generally be done by a new member, in his first term. By his industry, his application to his constituents he succeeded in effecting the passage

years. This appropriation our representative moved Union man into ridicule. It was too bad! of one bill.

striking them out, that amount is saved to the confered before. sumers.

There are other measures of interest-such as

faction with Gen. Quarles' course in Congress, and

Tom, the Blino Pianist.—This wonderful prodigg made his appearance at Powler's Hall, in this us to think that our strictures would have been given and the product of the cold officers of the road, the present managers, we know nothing, from a friend, that leads to tolows.
